

# Delaware Speech and Hearing Center

COMMUNICATION FOR A LIFETIME

The Delaware Speech and Hearing Center is recruiting a **Speech Language Pathologist** to join our Team! We are a nonprofit agency founded in 1959. We provide speech, audiology and occupational therapy services in our clinics in Powell and Delaware, schools, local child care facilities, senior living facilities and with other community partners. Our SLPs provide services solely to the pediatric population.

The SLP will work in our outpatient clinics providing speech/language evaluations, individual and group therapy. The successful candidate will develop and revise treatment plans including long and short-term goals and deliver therapy to assist our patients achieve progress towards their communication goals.

An Ohio License to practice Speech Language Pathology and a Certificate of Clinical Competence from ASHA is preferred. A strong Clinical Fellow candidate will be considered. One year of working with young children is preferred.

Interested parties should send their resume to [contact@delawareshc.org](mailto:contact@delawareshc.org).

Salary: \$60,000.00 - \$75,000.00 per year commensurate with experience
